WHERE WOMEN BUILD WEALTH

About

LADIESFUND®

A women empowerment and financial inclusion platform creating opportunities for women to dream, grow, and build their own wealth.

Founded in 2007, it has impacted thousands of women through programs and initiatives across urban and rural communities.

OUR MISSION

To economically and socially empower women for a brighter future.

Investments Role

Investing with Purpose

786 Investments Limited provides shariah-compliant investment solutions that build your wealth as a woman.

Built on Strong Principles

Professional management
Competitive returns
Liquidity
Capital preservation

Why open a LADIESFUND Investment?

- 01** Make your money grow instead of sitting idle
- 02** Build long-term financial independence
- 03** Create wealth for your future, family, and goals
- 04** Start small and build your portfolio over time. Take control of your financial future

Why consider LADIESFUND® Investment in 786 Smart Fund?

- **786 Smart Fund is an Islamic, SECP-regulated Shariah-compliant fund, designed for investors looking for a safe and competitive alternative to keeping money in a bank.**
- **Competitive Returns: Currently around 11.94%, with a strong long-term track record.10-Year Average Annualized Return: 14.52% p.a.**
- **Principal Protection Focus: Invested in relatively low-risk Shariah-compliant instruments; however, returns/principal are subject to market conditions.**
- **Better Tax Efficiency: Dividend income is currently taxed at 15%, compared with bank profit, where withholding can be higher, which is 20% for filers.**

- **Trusted & Regulated:** Managed under SECP regulations, with Digital Custodian Company Limited as Trustee.
- **Privacy & Cybersecurity:** Strong confidentiality and security measures.
- **Personal Service:** You can invest or redeem by phone, with a representative available to personally facilitate you whenever needed.

In short: Islamic + Regulated + Competitive Returns + Easy Redemption + Personal Attention.

Our Investment Approach

at LADIESFUND Investments

THE LAST 10 YEARS

Returns depend on the investment and market conditions

Different investments offer different levels of risk and potential return

Your goals and risk profile help determine suitable options

We focus on long-term wealth creation, not quick profits

Your money is invested with a clear understanding of where it goes

ILLUSTRATIVE GROWTH EXAMPLE

PKR
1,000,000

Today

PKR
1.6 million

In 5
years

Approx
10.22%
p.a.

Assuming
reinvestment
and before
taxes/fees

Returns are historical/current figures and not guaranteed. Investment risk and tax disclaimers apply.

Disclaimer

All investments are subject to market risks.

Please read the offering documents carefully before investing.

Past performance is not indicative of future results.
